All information in this document is subject to verification, correction, completion, updating and change without notice. Neither the Company, nor any other Group comp

A significant portion of the information contained in this document, including market data and trend information, is based on estimates or expectations of the Company, and there can be no assurance that these estimates or expectations are or will prove to be accurate. Where any information and statistics are quoted from any external source, such information or statistics should not be interpreted as having been adopted or endorsed by the Company or any other person as being accurate. All statements in this document attributable to third party industry experts represent the Company's interpretation of data, research opinion or viewpoints published by such industry experts, and have not been reviewed by them. Each publication of such industry experts speaks as of its original publication date and not as of the date of this document.

This document contains forward-looking statements relating to the business, financial performance and results of the Company, the Group or the industry in which the Group operates. These statements may be identified by words such as "expectation", "belief', "estimate", "plan", "target" or "forecast" and similar expressions, or by their context. Forward-looking statements include statements regarding: strategies, outlook and growth prospects; future plans and potential for future growth; growth for products and services in new markets; industry trends; and the impact of regulatory initiatives. These statements are made on the basis of current knowledge and assumptions and involve risks and uncertainties. Various factors could cause actual future results, performance or events to differ materially from those described in these statements, and neither the Company nor any other person accepts any responsibility for the accuracy of the opinions expressed in this document or the underlying assumptions. No obligation is assumed to update any forward-looking statements.

This document includes certain financial measures not presented in accordance with IFRS, including, but not limited to, AEBITDA. These financial measures are not measures of financial performance in accordance with IFRS and may exclude items that are significant in understanding and assessing the Company's financial results. Therefore, these measures should not be considered in isolation or as an alternative to result for the period or other measures of profitability, liquidity or performance under IFRS. You should be aware that the Company's presentation of these measures may not be comparable to similarly titled measures used by other companies, which may be defined and calculated differently. See the appendix for a reconciliation of certain of these non-IFRS measures to the most directly comparable IFRS measure.

OUR MISSION

AT HELLO FRESH
WE CHANGE THE
WAY PEOPLE EAT
FOREVER

OUR VISION

THE WORLD'S LEADING, FULLY INTEGRATED FOOD SOLUTIONS GROUP

Q3 Highlights

Continued strong revenue growth of 45% (on a constant currency basis) to €1.4bn

High customer engagement, despite return to normal summer seasonality: Average quarterly order rates increasing YoY to 4.0 (+14% Yo2Y)

Further increase in average order value to €51.3 (+6% Yo2Y)

Key Revenue driving KPIs continue to perform ahead of pre-pandemic trading

€79.8m AEBITDA, a margin of 5.6%

Remain free cash flow positive during a quarter of substantial investment in long-term value creation

Continued capitalization on growth opportunities, with ongoing capacity expansion, Italy launch and successful closing of YouFoodz acquisition

We continued our geographic TAM expansion and ongoing RTE investment

HelloFresh launch in Italy

Youfoodz acquisition

The launch in Italy marks an important milestone in HelloFresh's global growth strategy to expand its TAM

Following the success of Factor in the US, HelloFresh completes its acquisition of ready-to-eat offering in Australia

26m households market opportunity

A strong focus on sustainability and a localised culinary offer

New state-of-the art FC near Milan

A\$125m investment in an established market leader

Strengthens HelloFresh's RTE capabilities

Acquisition creates synergies and strong future growth potential

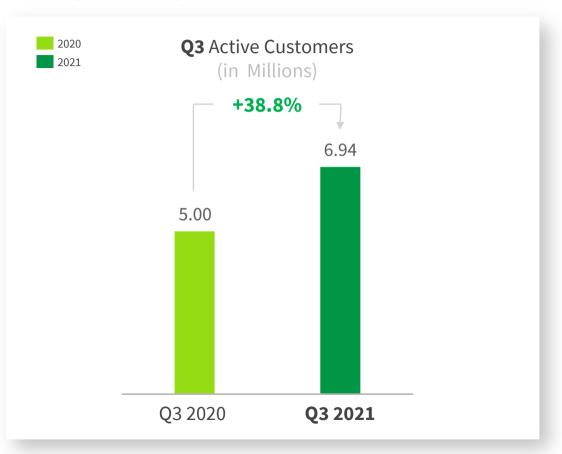

Q3 Customers increased by 38.8% year-on-year to 6.94m

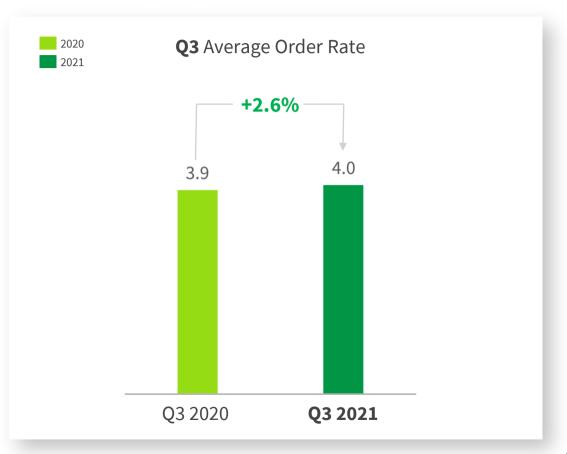

- Continued YoY growth momentum across both segments
 - Intl +37.8%
 - US +39.8% (incl. Factor)
- Return to long running prepandemic seasonal pattern, with reduced new customer acquisition activity in peak-summer months Jul-Aug
- All quarters in 2021 follow historical pattern except unusually high Q2 due to Covid restrictions in Europe
- Q3 2019- 2.61m [Y-o-2Y +164%]

Order rates remained high and ahead of pre-pandemic levels

- Average order rate per customer increases YoY to 4.0 against strong Covid comparatives and despite more normal summer seasonality
- Strength in Order rate reflects high customer engagement and ongoing strength in advancing our customer value proposition across all markets
- Q3 2019- 3.5 [Y-o-2Y +14%]

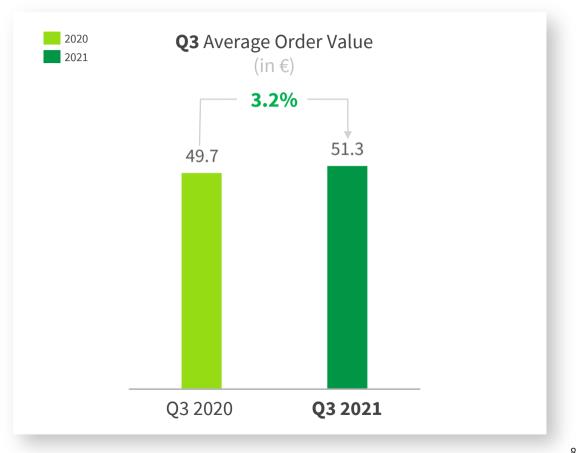

Average order value has increased significantly, even beyond Covid-affected

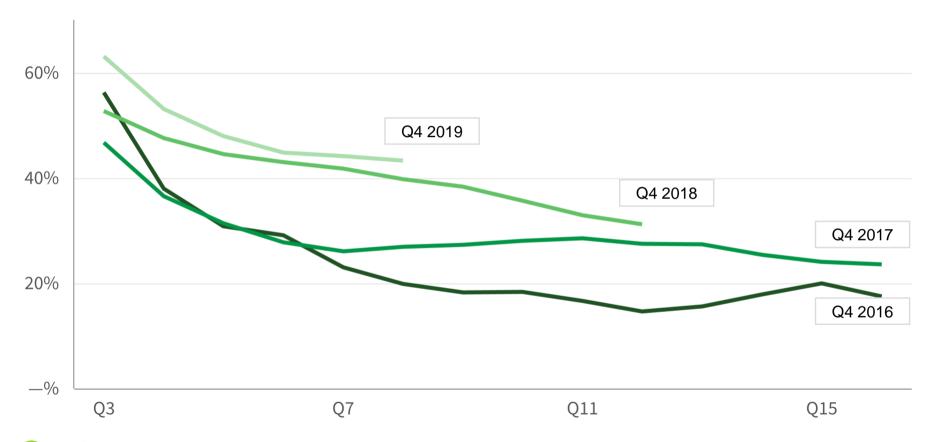

prior year period

 Bigger basket sizes and higher contribution from HelloFresh Market items

- US segment core driver of AOV increase
- Q3 2019- 48.3 [Y-o-2Y +6%]

We generate very stable and increasing long term revenue retention

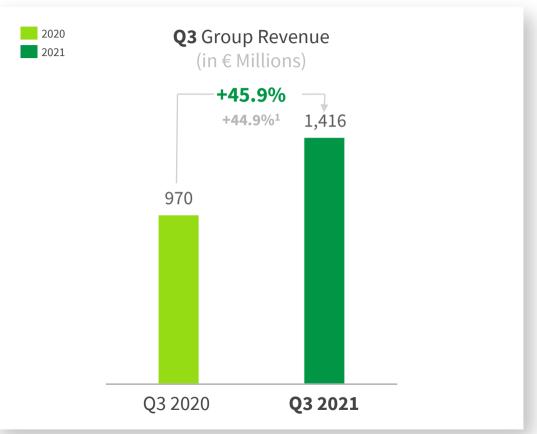

Source: TXN Data; US Only

Strong underlying fundamentals delivered Constant Currency Revenue growth of 44.9%

 Strong topline growth across both segments and meaningfully ahead of our initial full year guidance of 20-25%

- US CC growth of +51.0%, including Factor contribution
- Intl with a CC growth of +37.7%
- Q3 2019- €440.6m [Y-o-2Y +221%]

Q3 contribution margin decreased to 22.5%

- YoY decrease primarily a result of ongoing ramp-up of fulfilment sites, operating under our longterm productivity targets
- Additional impact of more "normal" summer seasonality relative to Q3 2020, one-off costs relating to Hurricanes in the US, Covid lock-downs in AU and NZ, and some elements of input cost inflation

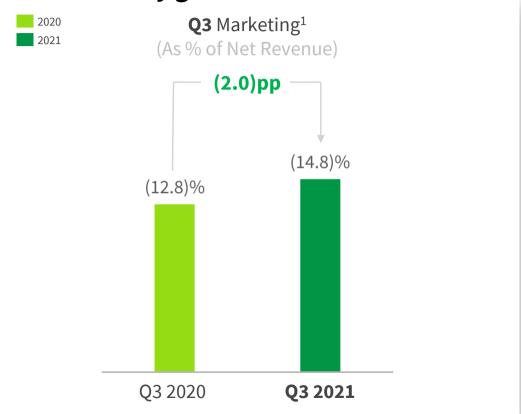

11

Very disciplined and successful growth investments delivered marketing as % of revenue at lower levels than initially guided

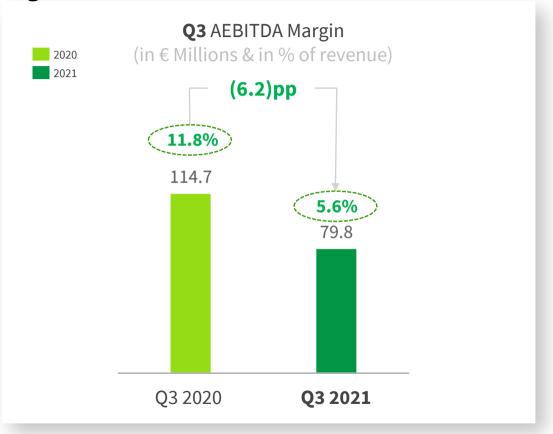

- Marketing as % of revenue remains meaningfully lower than in pre-Covid period
- Q3 Marketing expenses reflect seasonal investments in September into 'Back to School' campaigns
- Q3 2019- (20.1)% [Y-o-2Y +5.3pp]

We delivered Q3 AEBITDA of €79.8m in seasonally low-margin quarter whilst continuing to strongly invest in growth

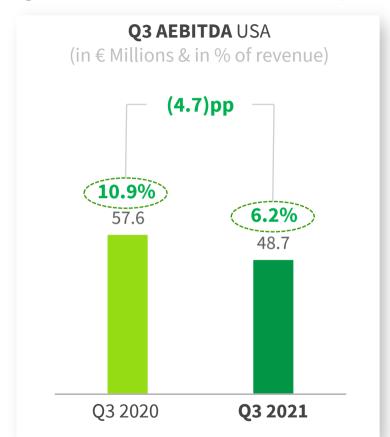

- AEBITDA margin primarily driven by compression in contribution margin due to fast ramp-up of new sites
- Prioritising investments into long-term growth opportunity and our customer value proposition, while navigating volatile post-Covid supply chains

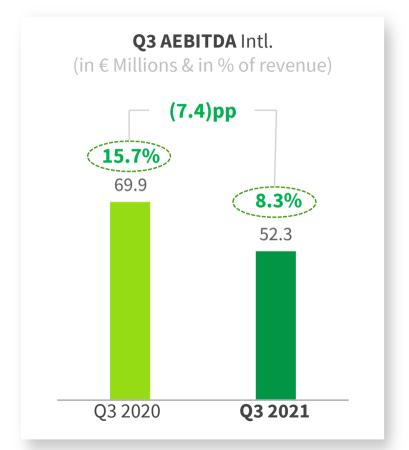

Each segment contributed similarly to AEBITDA in Q3

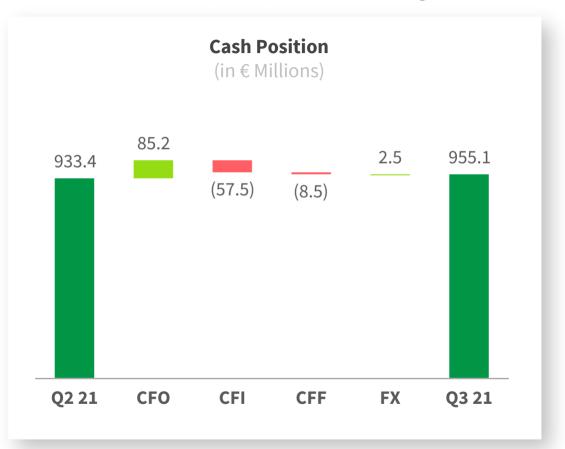

We delivered additional positive free cash flow, despite sizeable growth capex

- Progress in capacity expansion translating into step-up in investments with €57.5m capex in Q3
- First 9-month capex of €124.5m, still on track for > €200m for the year

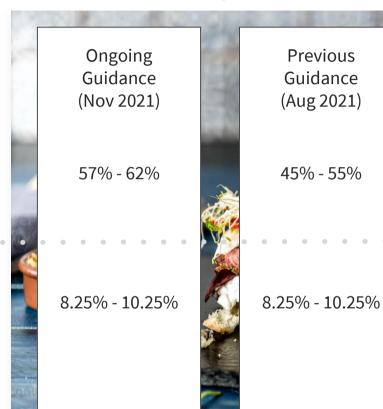

Continued strong growth performance year-to-date drives revised 2021 revenue growth outlook on a constant currency basis of 57%-62%
