This document has been prepared by HelloFresh SE (the "Company" and, together with its subsidiaries, the "Group"). All material contained in this document and information presented is for information purposes only and must not be relied upon for any purpose, and does not purport to be a full or complete description of the Company or the Group. This document does not, and is not intended to, constitute or form part of, and should not be construed as, an offer to sell, or a solicitation of an offer to purchase, subscribe for or otherwise acquire, any securities of the Company, nor shall it or any part of it form the basis of or be relied upon in connection with or act as any inducement or recommendation to enter into any contract or commitment or investment decision or other transaction whatsoever. This document is not directed at, or intended for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction. Persons into whose possession this document comes should inform themselves about, and observe, any such restrictions.

No representation, warranty or undertaking, express or implied, is made by the Company or any other Group company as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein, for any purpose whatsoever. No responsibility, obligation or liability is or will be accepted by the Company or any of its officers, directors, employees, affiliates, agents or advisers in relation to any written or oral information provided in this document or in connection with the document. All information in this document is subject to verification, correction, completion, updating and change without notice. Neither the Company, nor any other Group company undertake any obligation to provide the recipient with access to any additional information or to update this document or any information or to correct any inaccuracies in any such information.

A significant portion of the information contained in this document, including market data and trend information, is based on estimates or expectations of the Company, and there can be no assurance that these estimates or expectations are or will prove to be accurate. Where any information and statistics are quoted from any external source, such information or statistics should not be interpreted as having been adopted or endorsed by the Company or any other person as being accurate. All statements in this document attributable to third party industry experts represent the Company's interpretation of data, research opinion or viewpoints published by such industry experts, and have not been reviewed by them. Each publication of such industry experts speaks as of its original publication date and not as of the date of this document.

This document contains forward-looking statements relating to the business, financial performance and results of the Company, the Group or the industry in which the Group operates. These statements may be identified by words such as "expectation", "belief', "estimate", "plan", "target" or "forecast" and similar expressions, or by their context. Forward-looking statements include statements regarding: strategies, outlook and growth prospects; future plans and potential for future growth; growth for products and services in new markets; industry trends; and the impact of regulatory initiatives. These statements are made on the basis of current knowledge and assumptions and involve risks and uncertainties. Various factors could cause actual future results, performance or events to differ materially from those described in these statements, and neither the Company nor any other person accepts any responsibility for the accuracy of the opinions expressed in this document or the underlying assumptions. No obligation is assumed to update any forward-looking statements.

These materials may not be published, distributed or transmitted in the United States, Canada, Australia or Japan. These materials do not constitute an offer of securities for sale or a solicitation of an offer to purchase securities (the "Securities") of the Company in the United States, Germany or any other jurisdiction. The Securities of the Company may not be offered or sold in the United States absent registration or an exemption from registration under the U.S. Securities Act of 1933, as amended (the "Securities Act"). The Securities of the Company have not been, and will not be, registered under the Securities Act. Any sale in the United States of the securities mentioned in this communication will be made solely to "qualified institutional buyers" as defined in, and in reliance on, Rule 144A under the Securities Act.

In the United Kingdom, this document is only made available to and is only directed at persons who (i) are investment professionals falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended) (the "Order") or (ii) are persons falling within Article 49(2)(a) to (d) of the Order (high net worth companies, unincorporated associations, etc.) (all such persons together being referred to as "Relevant Persons"). This document is directed only at Relevant Persons and must not be acted on or relied on by persons who are not Relevant Persons. Any investment or investment activity to which this document relates is available only to Relevant Persons and will be engaged in only with Relevant Persons.

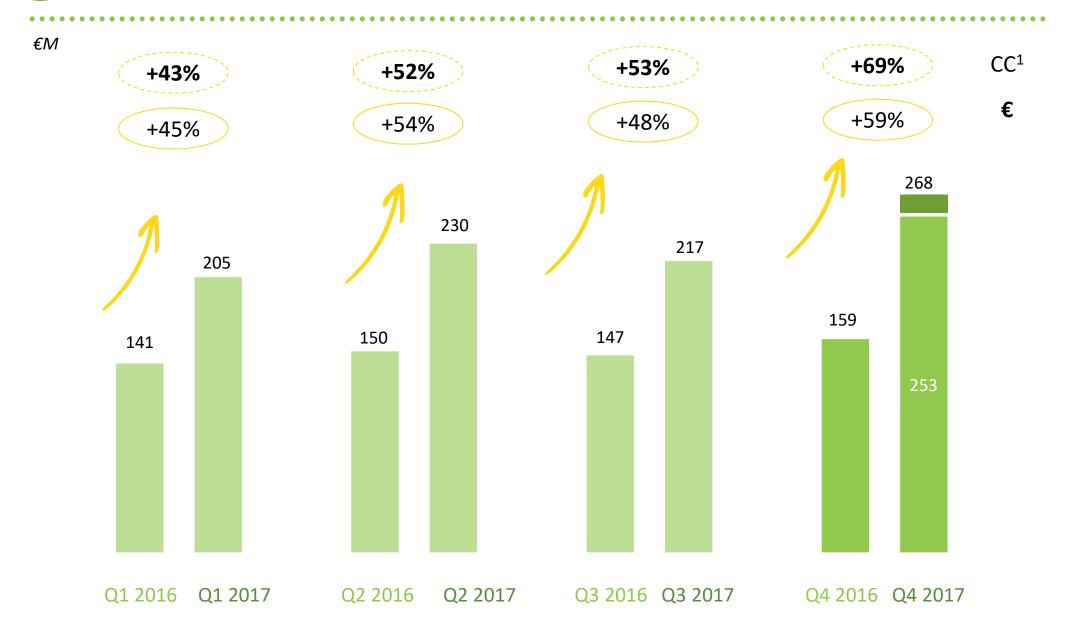

2017 represents continued strong progress on topline, profitability and cash flows

€М 2016 2017 Δ 905 597 52% Revenue 207 101 105% **Contribution margin** 5.9 p.p. 17.0% 22.9% revenue **AEBITDA** 13 (83)(70)6.1 p.p. revenue (13.8)% (7.7)%Cash consumption ¹ 31 (45)(76)

We accelerated revenue growth every quarter, culminating in 69% growth in Q4 (in constant currency)

^{1.} Based on constant currency

Q4 2017 marked the best ever quarter for AEBITDA – International is profitable for the first time for a full quarter

Q4 2017 Group AEBITDA of €(6.1)m; margin of (2.4)%:

- 8 percentage points margin improvement vs. Q4 2016
- 6 percentage points margin improvement vs. Q3 2017
- US AEBITDA margin of (1.2)% pre holding rebate¹
- International AEBITDA margin first time positive with 2.1% pre holding rebate²

^{1. (0.5)%} margin after holding rebate 2.2.7% margin after holding rebate

Strategy 2018 & beyond: Leverage infrastructure & core capabilities to go deeper in all geographies

∑≡ 2

Taste profiles

proprietary AdTech& Attribution solutions

- efficiently deploying >
 €200m budgets across
 wide range of channels
- 8m recipe ratings
- individual customerlevel recommendation system, enriched with bn of data points
- World- class team across
 Procurement,
 Manufacturing,
 Logistics
- One of the largest Food D2C food supply chains
- Massive Brand Awareness globally
- Scoring high on "likeable" & "approachable"

HF infrastructure

Team

3,500+ people dedicated to delivering the best meals

Fulfilment centers

8 own-managed FCs with capacity to grow 2.5 - 3 fold

Tech

Proprietary team and tools capitalizing on more than one bn data signals

Broadening product portfolio, increasing personalization and flexibility as well as launching new verticals will drive the majority of our growth

Global infrastructure footprint enables a high speed of innovation and multiple tests simultaneously

Broadening Product Portfolio

- ✓ Dinner-to-lunch introduction in US
- ✓ Roll out of premium meals in UK, Benelux
- ✓ Introductions of desserts in Benelux
- ✓ Acquisition of Green Chef (see next slide)

More Flexibility

- ✓ Introducing 3 person plans in DE/AT
- ✓ Expanding meal choice in AU
- ✓ 20 min. meals in the US
- ✓ Gluten-free meals launched in UK

Increasing Personalization

- Personalization successfully started in US
- ✓ Upfront protein exclusion
- ✓ Customer clustering
- ✓ Individualized taste profiling

Launch New Verticals and markets

- ✓ Launch of smart fridges in DE
- ✓ Launch of Froozeo in DE
- ✓ Expansion to Western Australia in Q4'17

The acquisition of Green Chef gives us access to new and previously untapped customer segments

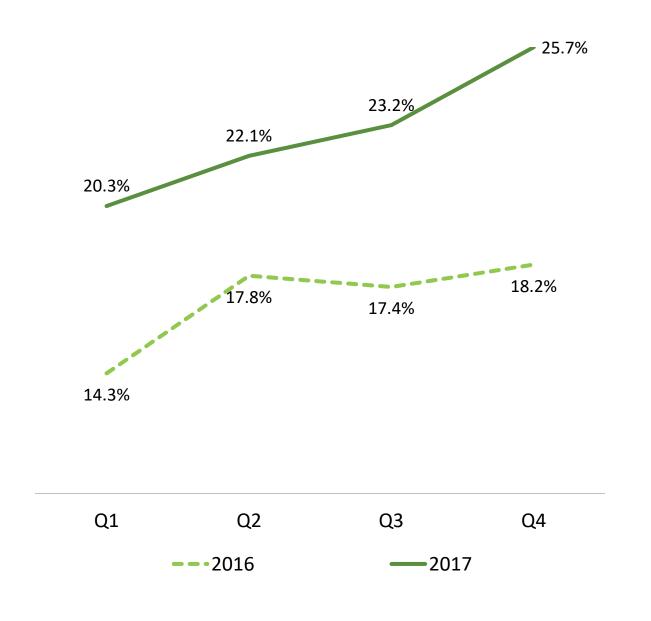

- Green Chef is the only true organic meal kit player in US
- ✓ Plans include Omnivore, Vegetarian, Gluten-free, Vegan, Family, Keto, Carnivore
- √ > 600 employees
- ✓ 2 state-of-the-art manufacturing plants in Colorado and New Jersey
- ✓ Indicative impact on HFG's group financials
 - Expected to add c. \$15m to quarterly revenues in 2018, starting in Q2 2018
 - Expected to impact HFG group AEBITDA margin by c. (2)% points each quarter Q2 – Q4 2018; broadly neutral in 2019

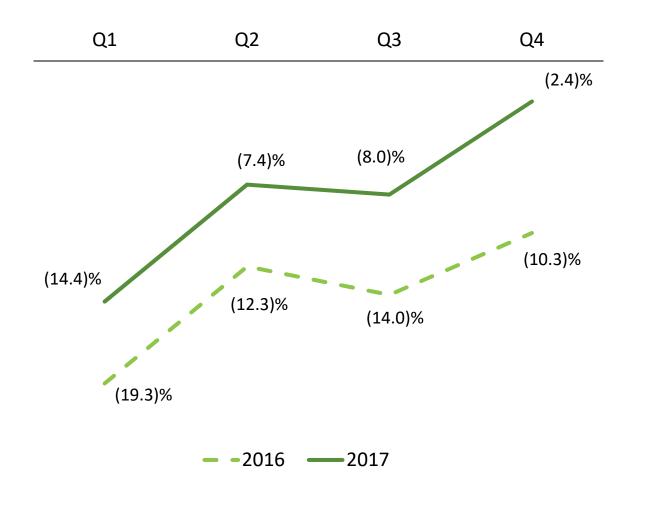

Q4 saw further acceleration in contribution margin expansion...

- c.8 percentage points contribution margin¹ expansion year on year in Q4
- c.3 percentage points sequential improvement vs. Q3
- Well on track for targeted margin savings until Q4 2018

... leading to the best ever quarter for AEBITDA¹ margin!

- (2.4)% AEBITDA margin in Q4,
 c.8 percentage points better
 than in Q4 2016
 - Continued strong year-on-year expansion across both segments
 - US AEBITDA margin of (1.2)% pre holding rebate²
 - International AEBITDA margin first time positive with 2.1% pre holding rebate³
 - Organic AEBITDA break even in Q4 2018 is within reach!

^{1.} AEBITDA is calculated by adjusting EBITDA for special items and share-based compensation expenses; AEBITDA margin is defined as % of revenue

^{2. (0.5)%} margin after holding rebate

^{3. 2.7%} margin after holding rebate

We maintain our very robust outlook for 2018

- Organic revenue growth for the group of 25 30% on a constant currency basis:
 - US above that range
 - International 20%+
 - Growth in Q1 somewhat above that range
- Contribution margin above 25%

- **AEBITDA** breakeven in Q4 2018
 - Before impact of Green Chef

APPENDIX

US: industry leading growth and on path to profitability
